Greetings,

Thank you for your interest in the trips that I, Heather Cumming, lead to Brazil for healing with the miraculous medium João de Deus, John of God. I am writing to inform you about trip scheduling and other specifics.

It is a privilege to be of service to those seeking healing from John of God. He is world renowned for his documented paranormal healing ability. As a full trance medium, this dedicated man has spent over 50 years healing thousands of people weekly. John of God incorporates St. Ignatius of Loyola and other highly evolved spirits that perform spiritual healing. His work is free of charge and no one is ever turned away.

I believe John of God is one of the most powerful spiritual healers alive. The Entities of Light that John of God incorporates perform invisible and visible surgeries. The latter are done with a scalpel or knife without anesthesia or antiseptic yet no one has ever had an infection or complications from his work. The healing Spirits so completely take over his body and mind that he typically remembers nothing of what happened during the profound trance. People from all over the world, from all walks of life, with all conceivable ailments, many diagnosed as terminal or incurable, visit him. He is one of the most scientifically studied healers with well-documented cures.

Since my first visit and healing and since I received permission to bring groups to him, my commitment to John of God and his mission has deepened immensely. On each of my trips escorting groups to João's healing center in Abadiânia Brazil -called the ***Casa de Dom Inácio de Loyola***, I have witnessed first hand the miracles of the Spirit Entities as well as the love and powerful energy that flow through this man. It is an honor to be considered by the Entities as a member of the Casa Family of mediums, ***filha da Casa***, a daughter of the Casa and translator.

The members of each of my groups experience profound transformation on a physical, spiritual and emotional level. The Casa gardens and current rooms draw participants into prayerful meditations which is reported to bring spiritual guidance, serenity, strength and hope. Many, who received visible and invisible surgeries for serious medical problems, experience remarkable healings. Trips to the Casa's sacred waterfall cleanse and renew us as we connect with the Spirits of Nature- and Earth-energy of this land. And as participants open their hearts and minds to the ever-present Divine energy, many state that old emotional wounds were finally healed. The profound and mystical experiences members have at the Casa, resting in their hotel rooms, and walking the trails and streets of Abadiânia attest to this. (*See web site for photo of one of our group participants who received a physical surgery while meditating in the hotel room during Casa hours: <http://www.healingquests.com/pages/about1.htm>*).

I am Brazilian/Scottish, fluent in Portuguese, French and English, and lived for 30 years on a ranch just 200 miles from Abadiânia. I am well versed with the customs and traditions of the people in this area and have forged wonderful supportive relationships with the Casa and hotel staff. This region is my soul's home and I would love to share its beauty with you. I will personally facilitate all aspects of the trip including translation, food and lodging, ground travel and spiritual counseling. The continued guidance and support I receive from the Casa family, the

Entities, and John of God has shown me how my background and skills have prepared me for this sacred work.

My book, *John of God the Brazilian Healer who's touched the lives of millions*, published by Simon and Schuster and available on Amazon.com is written as a reference to prepare you on your journey to John of God. This book is available in eleven languages.

I was asked by John of God to be his personal caretaker and translator during his first healing trip to the United States in April 2003. John of God asked me to be his liaison and translator for future healing tours to North America. In October 2007, I arranged for him to come to the Omega Institute in Rhinebeck, New York and it was a yearly event for five years. This event has been back at Omega every Fall since 2014. Each event continues to be outstanding. It has been an honor to travel with John of God as an interpreter for him and the Entities. It is a privilege for me to serve as your caretaker and interpreter on this journey; creating a sacred space and attending to your needs in every way possible so you can fully focus on your spiritual and physical healing.

Sincerely,
Heather

Heather will arrange for morning and/or afternoon transportation from Abadiânia to Brasilia. **For those flying later than Saturday, reservations will be made for you at a hotel in Brasilia for Saturday night. For those on a 1-week trip the departure taxi cost will be paid by the trip member; again, the cost is approximately 240 Brazilian Reais (BR).**

Travel to Brazil from the United States requires a tourist visa. However, for those who have dual citizenship, if you have a non-US passport, you may not be required to obtain a tourist visa. The actual visa process and requirements may differ across the USA (and elsewhere); please read information in the trip package carefully. Please check with your local Brazilian Consulate for visa requirements and processing fees. If there is no Consulate in your area you may want to use a visa service. The need for a Brazilian Visa for citizens of other countries is variable. Each Brazilian consulate posts a Country List. The list gives up to date requirements for all tourists.

Please note that the Brazilian Consulate has mandated that all visa forms must be completed online. The on-line visa application from the Consulate can be found by clicking on or copying the URL below into your Internet search box. Language of choice is on the banner on the right. <https://formulario-mre.serpro.gov.br/sci/pages/web/pacomPasesWebInicial.jsf> Please note that the on-line document is not all you will need to supply to the visa process; it is only the beginning. More information will come to you in the Healing Quests Trip Package.

Heather recommends Travel Visa Pro Company to help you obtain your Brazilian visa: Our contact is Mr. Kestutis Gregeris and you can email him at kestutis@travelvisapro.com or call him toll free using **888 470 8472** ext. 712. And if you are in San Francisco area, his direct line is **415 200 4561**. Travel Visa Pro offers expedited service. You will find various fees depending on the desired visa turnaround time. **Remember that should you choose to use Travel Visa Pro you still MUST FIRST APPLY FOR VISA online with the Brazilian Consulate.** All of this is spelled out on the Travel Visa Pro website.

For those travelers who would like a chance to rest before the two-week tour begins, we can arrange, if you arrive Sunday before trip start, to spend the night at a hotel in Brasilia. Heather will make the reservations since, in doing so, her groups receive a discounted rate that includes breakfast Monday morning. If you choose this option, you will take cab from Brasilia airport (10 minutes) to the hotel (about 45 Brazilian Reais). Barb will email you a reservation number for the hotel and you may pay the hotel directly with a credit card on the morning you check out.

Heather will pick you up from either the Brasilia hotel or the Brasilia airport on Day 1 of your trip. There will be more information, including arrival instructions, emailed to you approximately one week before you travel.
