### 2019 Tour Dates:

January 21 – February 2; February 26 – March 9, April 8 - 20;

June 17 – 29 July 29 – August 10

Greetings,

Thank you for your interest in the trips that I, Heather Cumming, host for spiritual healing at the Casa de Dom Inacio. I hope this message gives you the information you are seeking about trip scheduling and trip specifics.

It is a privilege to be of service to those seeking healing. The Casa, located in Abadiânia, Brazil, was founded at the request of St. Ignatius of Loyola and other highly evolved spirits, collectively known as the Entities of Light, who perform spiritual healing. The Casa works free of charge and no one is ever turned away.

People from all over the world, from all walks of life, with all conceivable ailments, many diagnosed as terminal or incurable, visit the Casa. There are well-documented cures.

Since my first visit when I received healing and since I received permission to bring groups to the Casa, my commitment deepens. On each of my trips while escorting groups to the healing center called the *Casa de Dom Inácio de Loyola*, I have witnessed first-hand the miracles of the Spirit Entities. I also am a witness to the love and powerful energy that flow through this land and those involved in this mission. It is an honor to be considered by the Entities as a member of the Casa Family of mediums, *filha da Casa*, a daughter of the Casa.

The members of each of my groups have experienced profound transformation on a physical, spiritual and emotional level. The Casa gardens and current rooms draw participants into prayerful meditations which is reported to bring spiritual guidance, serenity, strength and hope. Many, who receive invisible surgeries for serious medical problems, experience remarkable healings. Trips to the Casa's sacred waterfall cleanse and renew us as we connect with the Spirits of Nature and Earth, the energy of this land. And, as participants open their hearts and minds to the ever-present Divine energy, many state that old emotional wounds are finally healed. The profound and mystical experiences members have at the Casa, resting in their hotel rooms, and walking the trails and streets of Abadiânia attest to this.

I am Brazilian/Scottish, fluent in Portuguese, French and English, and lived for 30 years on a ranch just 200 miles from Abadiânia. This region is my soul's home and I would love to share its beauty with you. I will personally facilitate all aspects of the trip including translation, food and lodging, ground travel and spiritual counseling. I am well versed with the customs and traditions of the people in this area and have forged wonderful, supportive relationships with the Casa and hotel staffs. The continued guidance and support I receive from the Casa family and the Entities of Light has shown me how my background and skills have prepared me for this sacred work.

My book, *John of God the Brazilian Healer who's touched the lives of millions*, published by Simon and Schuster and available on Amazon.com is written as a reference to prepare you on your journey to the Casa de Dom Inácio. This book is available in eleven languages.

It is a privilege for me to serve as your caregiver and interpreter on this journey; creating a sacred space and attending to your needs in every way possible so you can fully focus on your spiritual and physical healing.

Sincerely,

*Heather*

If you choose to book your own airfare, your arrival and departure dates/times must match those of the tour. For all, it is suggested that you arrive either on the Sunday before the tour begins or the Monday morning that the tour starts. If you arrive on Sunday or before, Heather will make a reservation for you at a Brasilia hotel. If you choose to arrive on Monday, you must arrive in the morning on or before 10:30am. **If you arrive later than this time on Monday morning, you will have to pay for your own transportation to Abadiânia. The cost is approximately 280 Brazilian Reais (BR).**

For departure, you should try for a Saturday flight; afternoon or evening. Heather will arrange for morning and/or afternoon transportation from Abadiânia to Brasilia. **For those flying later than Saturday, reservations will be made for you at a hotel in Brasilia for Saturday night. For those on a 1-week trip the departure taxi cost will be paid by the trip member; again, the cost is approximately 280 Brazilian Reais (BR).** For all trips it is best to depart on the last day of the trip. You should be heading home to assimilate the learning and energy that you have received.

Visa ruling has changed! **The Brazilian government has announced that visa-free entry will become available to citizens of the United States, Canada, Australia and Japan, effective June 17, 2019. On that date, residents who have valid passports from these countries will be permitted to stay in Brazil for 90 days from their date of first entry.** For those guests coming from a different country than those listed above, we can help investigate the need for a visa.

For those travelers who would like a chance to rest before the two-week tour begins, we can arrange, if you arrive Saturday or Sunday before trip start, to spend the night at a hotel in Brasilia. Heather will make the reservations since, in doing so, her groups receive a discounted rate that includes breakfast Monday morning. If you choose this option, you will take cab from Brasilia airport (10 minutes) to the hotel (about 45 Brazilian Reais). Barb will email you a reservation number for the hotel and you may pay the hotel directly with a credit card on the morning you check out. Heather will pick you up from either the Brasilia hotel or the Brasilia airport on Day 1 of your trip. There will be more information, including arrival instructions, emailed to you approximately one week before you travel.
